

Summer Camp will help your child build a foundation for making intelligent, lifelong, personal financial decisions through hands-on, realistic site-based experiences.

Our goal is for your child to:

- Practice and receive feedback on the job application and job interview process.
- Practice opening, maintaining ledger for, and balancing a checking account.
- Increase his/her financial knowledge.
- Feel more confident in his/her ability to be successful.
- Feel more confident about making decisions that deal with money.
- Have fun!
