Junior Achievement of South Florida presents JA Inspire, an interactive career exploration program in partnership with educators and industry leaders. Students will be introduced to high growth/high wage career fields including: construction, health, marine, aviation, finance, automotive, technology, energy, hospitality, nonprofit, professional sports, government agencies and more. The multi-component program is designed to have a deep impact on the students as they begin their journey to the workforce.

The event will feature:

- A showcase of careers and pathways of local leading industries
- Over 50 interactive career station exhibitors
- More than 100 mentors who will share their career advice and available opportunities with students
- Student engagement with equipment, technology and the opportunity to “step into the shoes” of employees from all industries

Partnership Benefits

Sponsorship Form

Over 4,000 8th-12th grade students will participate in JA Inspire on March 12th and 13th through their participating school programs.

We are expecting over 50 Exhibitor partners to create booths to introduce students to various careers in leading local industries. As a business professional, you have the opportunity to connect and inspire the future workforce by creating an interactive experience and answering students’ questions about your industry, career paths, job responsibilities and business culture.
