WHY JA?

Junior Achievement of South Florida was founded in 1959 through a partnership with the Fort Lauderdale Rotary Club. The mission is to inspire and prepare young people to succeed in a competitive, global economy. Young people face the challenge of succeeding in an increasingly complex global economy and they need help to succeed from local business leaders, educators and mentors.

JA is the world’s largest organization dedicated to empowering young people to own their economic success, plan for the future, and make informed academic, career and economic choices. JA has an impeccable reputation and is a catalyst between education and industry, dedicated to excellence and delivering top quality education programs to improve student knowledge and financial literacy, workforce readiness, and entrepreneurship skills.

The JA World Huizenga Center at the Lillian S. Wells Pavilion is the largest JA facility in the world at 60,000 square feet and serves over 50,000 students per year at the with the help of 7,000 JA-trained volunteers, mentors and 2,000 teachers. The project was spearheaded by the late Marti and Wayne Huizenga who united other community leader investors, land was donated by Broward College, and a partnership with Broward County Public Schools and Broward County ensures every child in 5th and 8th grade participate in programs each year. Over the past 60 years, Junior Achievement of South Florida has served over 1,000,000 students.
