Become a Business Challenge Partner!

JA Career Bound Business Challenge Partners pair up with a school and present a challenge they are facing in their industry. Our students are divided into small groups to present their recommended solution(s) to a panel of industry judges at the end of the program.

What We Do

Provide 8 months of training and curriculum that ensures the work readiness of all of our students

What We Need

Amazing corporate partners that are willing to mentor our JA Career Bound students for a Business Challenge

Partner Commitment

3 touch points with a group of students, including a site visit and tour, mentoring and judging business solutions

Why Partner?

Our partners have the opportunity to encourage and inspire youth. Gain a different and unique perspective for a challenge from innovative young adults. Build relationships with students from the surrounding community. Potentially meet the future workforce.
