

VOLUNTEER OPPORTUNITIES

JA BizTown

With the **JA BizTown** Program every 5th grade student participates in a series of classroom lessons, where they learn about applying for jobs, voting, career opportunities, customer service, paychecks, savings and more. Then, they put their knowledge to work at JA BizTown, where they operate a simulated economy and run businesses. Students get hands-on experience at being citizens, consumers, employees, and business owners.

JA Finance Park

With the **JA Finance Park** program students build a foundation for making lifelong personal-finance decisions. It consists of curriculum that teaches them about finances, careers, income, expenses, savings, and credit, while helping students recognize that their education decisions affect their career options and have an impact on their potential income and quality of life. At the end of the curriculum instruction, students participate in an on-site simulation and put what they learned into action by managing a real world inspired personal budget based on local careers in a simulated city.

Volunteers are needed to help guide students in a specific storefront during their on-site simulation. The time commitment is approximately five hours but may vary per school schedule. Start time is around 8:00 am and the first 60 minutes of the day includes a thorough training session. Registration and background check are necessary.

The following is a list of the dates that **JA BizTown** and **JA Finance Park** will be hosting schools that need assistance with volunteers. If you/your group would like to volunteer on any of these dates, please contact Morgan D’Jangali at Morgan@JASouthFlorida.org / 954-979-7114.

Thank you for your help in inspiring our students!
