

JA Inspire

YOU ARE INVITED to sponsor and participate in JA Inspire, Junior Achievement's interactive and **VIRTUAL** career exploration fair for up to 20,000 eighth through twelve grade students.

JA Inspire Virtual offers students the opportunities to learn about South Florida's high wage/high-demand jobs, career opportunities and the education required for future careers they may be interested in while allowing them time to plan **BEFORE** leaving high school. Students are introduced to local high school programs and future businesses who want to **build their future workforce**.

What is JA Inspire Virtual?

- Game-changing career development program for up to 20,000 local eighth through twelve grade students.
- Includes in-class lessons & unlimited access to the Virtual Career Fair throughout the school year.
- Digital Career Workbook for High School Students allowing them to take a personality quiz & explore careers suited to their talents and values.
- Students gain an understanding of high school programs, post-secondary tracks, local industries, and career pathways – based on their strengths & interests.

Why JA Inspire Virtual?

- Share Career pathways for high-growth, high-demand industries through interactive, **VIRTUAL** career booths.
- Unique opportunities for businesses to grow their future talent pipeline with our South Florida children!
- Give students the chance to step into the shoes of employees in local companies and understand local high school opportunities.
- By supporting JA Inspire Virtual our local companies are committed to engaging and investing in our children – they can change lives.

JA Inspire Virtual/Creativity is Invited...

Inspiration is inevitable

Using virtual technology, JA Inspire features a mega online career event filled with up to 60 local business and high school exhibitors providing interactive booths, downloadable career information and exhibitor videos. JA Inspire Virtual is adaptable for in-class or remote learning.

Virtual Career Event Highlights:

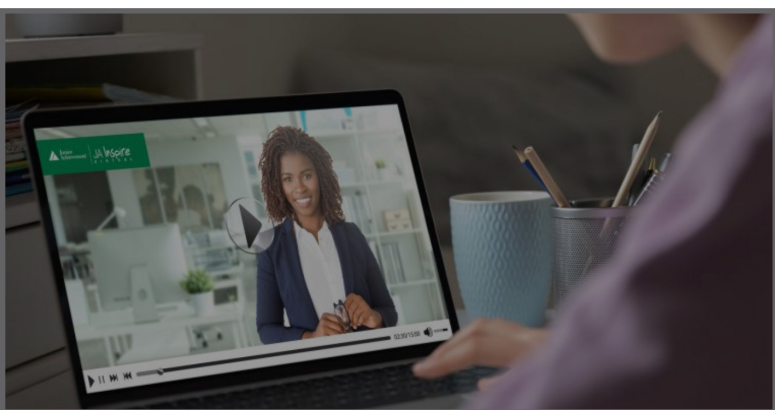

- Up to 60 local career exhibits sorted by career cluster.
- Resources and information on local high school programs.
- Downloadable career information and on-the-job videos such as “a day in the life of ”.
- Virtual bag pack allows students to save what interests them during their session.
- Online software is compatible with multiple devices: computers, tablets, mobile phones.
- Interaction adds fun and increases engagement.
- Questions posted will be answered by high schools and industry leaders.
